26	2015	Whistling Eagle Viognier		

*Judges' comments: Disappointed due to winemaking with reductive characters. Lacking appropriate use of oak. Low number of medals. The well-made wines displayed fruit definition and in some cases subtly which was surprising.*

59	2014	Whistling Eagle "Eagles Blood" (Shiraz, 100%)	Bronze	

*Judges' comments: Really interesting range of gold medal wines with different styles represented. A number of wines that missed out were still powerful wines but tannins a little chewy and clunky. The wines that didn't do well had a lot staleness and poor oak handling*
